Dear Roger

On behalf of all the patients, volunteers and staff here at Lakelands Hospice I would like to thank you for the kind donation of £1500 gratefully received from the free masons grand charity and provincial grand charity, your support is a huge benefit to the award winning levels of care we are able to provide at Lakelands, it's a lovely gesture and is much appreciated.

Lakelands Hospice provides care for those with cancer-related illnesses and individuals affected by advanced heart failure. The hospice is developing constantly to the needs and demands of the local community. We have introduced our Hospice at Home Care Service and now need to raise in excess of £475,000. We do not receive any government funding and rely totally on charitable donations and fundraising events.

On behalf of patients, their carers and families who will benefit, thank you once again for your generosity and commitment to Lakelands.

Yours sincerely

Paul Marlow
